

# Royal Hotel

Preparation: Locate a 5 card. Arrange in piles the ACEs, KINGs, QUEENs, and JACKs. (these are the only cards you need). Make one pile, in the order shown above, so that the 4 ACEs are on top of the 4 KINGs, QUEENs-> so on...

Method:

1) Place the 5 card onto the table in front of the audience. Tell them that this card is an imaginary Hotel, and the cards in your hands are travelers..

2) Tell the audience that the travelers need to stay in the hotel for the night...

3) Holding the deck you prepared face down, deal the cards in a CLOCKWISE manor one after another on the 5 card:  
(When you are done, the cards should be arranged as foll
